

Thank you, Hyatt Workers!

Because you fought together with other Hyatt workers here and around the country for the past three years, the 12 of us are now officially Hyatt employees.

Like you, we will now have pension, healthcare, real wages, & rights on the job. Others continue to work for PWC but now earn up to \$19 an hour (up from as low as \$7.25). This completely changes our lives for the better. Thank you!
