

KAISER STRIKE DAILY BULLETIN

Day 2: Tuesday, Feb. 3

Moanalua

Our strike started off with a bang! A strong majority of Kaiser Local 5 members turned out to picket lines all over Hawai'i.

We've received overwhelming support from patients and community members. Patients gave us encouraging words as we passed out leaflets to them. Dozens of comments were left on Kaiser's Facebook page in solidarity with us. Community allies donated food and water to the Honolulu and Hilo picket lines.

Let's keep up the momentum. United we stand!
