Keep strong, keep fighting on! Lots of victories to report on:

- Rep. Tulsi Gabbard made a statement supporting our strike!
- Our #Relayfor1job marched from Laie to Waimea. Turtle Bay Resort workers waved signs with us, supporting our strike.
- Local 8 members at the Westin Seattle reached a tentative agreement with Marriott! Our strike has been so powerful that the company settled in Seattle, which authorized a strike by 98%, to contain our strike from spreading.
- Plumbers and Fitters Union Local 675 moved their Membership Benefits Conference out of the Sheraton Waikiki to honor our strike!
- Strikers delegated the GM of Prince Waikiki after we learned that a banquet manager emailed employees about scabbing at the striking hotels. The GM disavowed this in an email to workers and in a letter to Eric Gill stating: "We are not encouraging or providing assistance to our employees to work at a struck property."
- Local 5 filed an unfair labor practice charge against Sheraton Maui for trespassing 3 employees for leafletting.
