Our picket lines are stronger than ever and support from the community keeps on coming. Let's keep the momentum going!

Victories and highlights from yesterday:

- Hundreds of strikers lined up on Kalakaua once again to show our unity and strength.
- 5 pastors from different faith traditions gathered with hundreds of strikers to offer communion and prayer.
- We passed out leaflets to the ADA attendees at their event at the Waikiki Shell to inform them about the strike and the fact that the company providing staff at the Waikiki Shell is HiEmployment. HiEmployment supplies scabs to the striking hotels.
- Last week, we delegated the Dean of the School of Travel Industry Management at UH Manoa. He responded that they do not take sides in labor disputes and will not recruit scabs. We're invited to their next meeting to talk about the strike.
- We filed unfair labor practice charges against all 4 Kyo-ya Waikiki hotels for telling us not to leaflet on property.
