

MARRIOTT STRIKE BULLETIN

Day 36: Mon. 11/12/18

Our Ask Worked!

JTB is now notifying clients via their website about our striking hotels. Many guests have been very disappointed by the lack of notice and lack of services.

Contracts & Negotiations:

We've now reached contract settlements in Detroit, San Jose, San Diego and Oakland. Their negotiating committees are excited about reaching agreements and winning improvements for their cities. Negotiations are being held in San Francisco & Boston today and tomorrow. Hawaii has negotiations this Thursday & Friday.

Mahalo to Our Veterans:

Happy Veterans Day and mahalo to our Local 5 veterans. Most veterans are working folks just like us, fighting for a better future. Thank you for your sacrifices.
