

# MARRIOTT STRIKE BULLETIN

Day 38: Wed. 11/14/18

## Pour It On!

We are getting stronger! There were 100 more members that participated on the strike lines last week than on the first week of our strike! We proved to them that we are strong and they are not going to push us down.

We have negotiations on Thursday and Friday.

Nothing counts but pressure, pressure, more pressure, and still more pressure. Pour it on, Local 5!

## Another group moves their event

Thanks PACT (Parents And Children Together) for postponing your event during our Marriott strike!

Flour & Barley has donated pizzas to our picket lines several times. Thanks!

We supported Pullman San Francisco Bay & Irvine Marriott workers by asking Hawaii Employees Retirement System to ask hotel owner CBRE Global Investors to give workers a fair process to organize.

A tourist from Iran showed his support for our strike and donated money to our strike fund.
