

# MARRIOTT STRIKE BULLETIN

Day 42: Sun. 11/18/18

During our last negotiation session, we all stood up for housekeeping—bell department, front desk, cooks, stewarding, servers, everybody. Before this contract fight, a lot of us didn't realize how hard the rooms are for them. Now we know how much they are suffering and it's not okay. We are behind the housekeepers 100%. I respect them so much. This fight has shown me how important it is for all of us to stick together—we don't all have the same issues, but to get what each of us needs, we actually need each other."

"We support our housekeepers, not because it holds any benefit to us, but because it's what they deserve. It's what is right and just. I'm filled with a sense of pride by the depth of this support from employees from every department." — Edward Hampton. PK hotel maintenance

**Get Ready for Thanksgiving!** Strikers are planning a Thanksgiving feast. We have bonded through this strike, so on Thanksgiving, plan to celebrate with your home family & your Union family. Details to come.

*"Encourage, lift, and strengthen one another. For the positive energy spread to one will be felt by us all. For we are all connected one and all."* — Debra Day

These guests came to our picket line and donated \$1000 to our strike fund! Thank you!

Negotiations committee members visited the picket lines to update the strikers on negotiations.

We love it when strikers bring their families to the picket lines—children, parents, pets, siblings, everyone!
