

# MARRIOTT STRIKE BULLETIN

Day 46: Thu. 11/22/18

**By Eric Gill, Financial Secretary-Treasurer:** Thanksgiving Day 2018 is our 46th day on strike, and this Thanksgiving Day, members of Local 5 have many blessings to count.

We give thanks for the new strength we have found in ourselves.  
We give thanks for the new strength and unity we have built with our co-workers.  
We give thanks for the support and encouragement we receive from our friends, family and neighbors as we fight for what everyone needs.  
We give thanks for the many new leaders among us that have stepped forward.  
We give thanks for the Local 5 members from other properties who've been supporting us.  
We give thanks for the other unions that have extended the hand of friendship and solidarity.

Soon, we will be able to give thanks for the best contract we have ever negotiated.

Happy Thanksgiving everyone!

Strikers in turkey costumes passed out leaflets at the airport to inform guests about the strike.

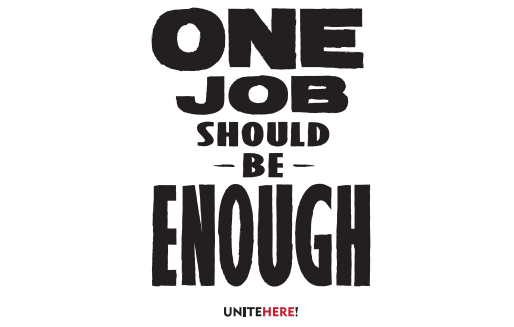

Huge thanks to the cooks who cooked and prepared the Thanksgiving food for the picket lines.

Thanks to Local 5 member Cuc Van for feeding us noodles and gau gee at our picket lines today.
