

TIPS TO PROTECT YOU AND YOUR FAMILY

A full guideline will be posted soon for people working at hotels that are being used as temporary quarantine sites. Stay tuned.

PERSONAL PROTECTIVE EQUIPMENT (PPE) FOR HOUSEKEEPERS:

Common Area Cleaning PPE

1. Disposable facemask
2. Disposable nitrile or vinyl gloves
3. Protective eyeglasses

Room Cleaning PPE

1. Disposable facemask
2. Disposable nitrile or vinyl gloves
3. Protective eyeglasses
4. Face shield
5. Disposable coveralls
6. Disposable shoe coverings

When you go home:

- DO NOT go home in uniform.
- Take a complete shower after your shift.
- Have a separate set of work shoes and leave them outside your home.
