HILTON HAWAIIAN VILLAGE STRIKE

OCTOBER 5, 2024

WAIKIKI: DAY 12

BREAKING! HILTON WORKERS IN BOSTON ARE NOW ON STRIKE!

At 10pm Hawaii time, Hilton hotel workers in Boston joined the fight and announced an indefinite strike. There are now over 4,700 workers in four cities across the country on strike and we are all ready to stand up to the hotel industry!

LOCAL 5 CAR CARAVAN

The picket lines got a visit from a caravan of cars decked out with Local 5 decorations. Local 5 members from other hotel properties and Kaiser coordinated a caravan to show Hilton strikers support and circle the Kyo-ya properties, Hyatt, and Marriott to remind them that we are all still in the fight.

LABOR HISTORY OF HAWAI'I

Eight strikers attended an event exploring the labor history of Hawai'i hosted by the Democratic Socialists of O'ahu. The history of labor organizing in Hawai'i demonstrates the power of solidarity.

ON-PROPERTY LEAFLETTERS

In the early evening, strikers Henry, Cynthia, and Eddie stepped up to go on property and leaflet guests about their working conditions and why they are on strike.

DID YOU HEAR THE NEWS? Guests are protesting in the main lobby

A video of Hilton guests protesting in the Hilton main lobby has gone viral and has been shared by several news stations. Their rallying call: **What do we want? REFUND! When do we want it? NOW!** Strikers that continue to leaflett guests every day play a crucial role in explaining to guests what we are fighting for, and gaining their support.
