WHAT I'M STRIKING FOR

"I am on strike again and this time I am ready to stay on strike for as long as it takes to win.

While hotel companies make record profits, I am a single mom that has to work three jobs in order to support my family and be able to survive here in Hawaii. It is obvious

Hilton does not value us as their workers since we have been out here for three weeks now and Hilton has not met us at the bargaining table."
