## BARGAINING UPDATE

Local 5 and Kaiser Permanente (KP) had bargaining sessions on May 13<sup>th</sup> and May 20<sup>th</sup>. To date, no tentative agreements have been reached. There was much discussion regarding Union Leave and the Corrective Action/Grievance Procedure, but KP is still holding on responding to any proposals related to money until they get a better sense of what comes out of national discussions. Our team will be attending the next round of National bargaining June 3-5 in Los Angeles.
